

## GREEN TEAM PERMISSION SLIP

Student Name \_\_\_\_\_ Room \_\_\_\_\_

Dear Parents,

The Green Team is a service group of students dedicated to helping Turtleback become a school that totally embraces saving our delicate environment through recycling. The Turtleback Education Foundation sponsors this exciting program.

The Green Team will be meeting during the lunch recess periods and, on occasion, will meet on Friday afternoon from 1:00-1:45. Our goal is to minimize time away from the classroom, especially during critical morning instruction.

Our school recycle day is Tuesday mornings. Green Team members are expected to arrive at school by 7:45 a.m. on their designated day and should meet near the Kindergarten entrance area to help with collections.

Please remember that Turtleback will receive over \$1,000.00 when our recycle bin is full!

Thank you for supporting your child and our school with this project. Please return the bottom portion of this letter to the school office.

Respectfully,

Ann Auten, Principal

JoAnn Gaytan, Recycling Project Coordinator, Turtleback Education Foundation

-----  
PLEASE RETURN TO THE SCHOOL OFFICE

I give permission for my child \_\_\_\_\_ to be a member of Turtleback's Green Team. I understand it will be necessary to have my child at school by 7:45 a.m. on the Tuesdays designated above.
